Mr. Ed. Stone.  
Newark, N.J..  
Dear Mr. Stone:

By your recent letter to Mr. Pedrito Ruiz we heard from you and were pleased to know that you are able to secure us a good left-handed all around pitcher.

The board of directors unanimously accorded to-day to depend upon you for the selection of the other two players allowed to our team.

We suppose you acquainted with mr. Seay's desires. He no longer wants to play with us. A letter was received from him asking his release. We are not going to force him to play with us if he does not want to. That is why we are in need of a good Short Stop, the best one obtainable. Both players, Mr. Stone, must be of your playing ability, stars we mean.

We are going to get rid of: Curbelo; Darío; Gacho Deiter; Jáyase and Lange (Miguel Rodríguez). In turn we are trying to secure some good native players in the states. We think advisable for you to get in touch with Chichí He is in New York at present his address is 137E, 110 St. Mr. Armando Ortiz, our treasurer, will also reach New York from London within few days, perhaps in or before July 30. His address is: C/O LA PEIRA Y CO/ 377 BROADWAY ST. New York City. You three can do us a lot securing players as Pedro diaz (El Jíbaro), Garrote and any other you think very necessary.

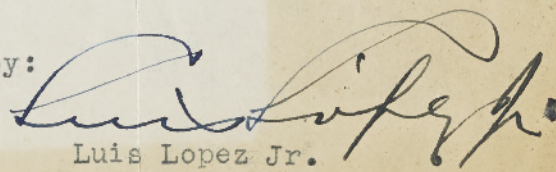

It is our earnest desire to hear from you soon as we are forced to present line up not later than Aug 1.

We are very glad to know you are over 400 at bate and hope to shake hands soon.

Very Truly Yours,

Humacao Base Ball Club
